Appreciation:

- Overall a very enjoyable and informative conference. Some of the greatest insights came through the side meetings and networking
- Congratulations to OSDEL for organizing excellent local facilities
- Excellent with desks in all meeting rooms
- This was one of the very best IWC since 25 years that I attend, congratulations!
- I found the Congress on a whole to be well organised. There were quite a few stated problems with paper resolutions. I would be interested in seeing how far compliance or comprise results from these
- It was an excellent week. The hosts were great, the venue and food, lots of opportunity to learn and network. Thank you to the whole IFRRO Secretariat and to the OSDEL team
- Well done IFRRO Secretariat! Thank you!
- Thank you for all your efforts and support
- I think that is a great and interesting congress
- First time experience and was amazing
- I would say that the 2018 Congress was thoughtfully organised and ran very smoothly. The cultural experiences (Cocktail and GalaDinner venues) were superb
- It goes well
- It doesn't need to be improved. It was perfect.
